

# Current Challenges in DEI: Knowledge Sharing and Networking

**Rachel Pottinger**  
University of British Columbia

# About this session

- This session is chance for people to discuss today's issues/concerns around DEI
- I have suggested groupings/topics, but I'll do a call for topics in a minute (think now!)
- We'll come back together as a group at noon unless people want something else
  - If people want to talk to the whole group, great.
  - If not, you can all keep talking, which is also great.

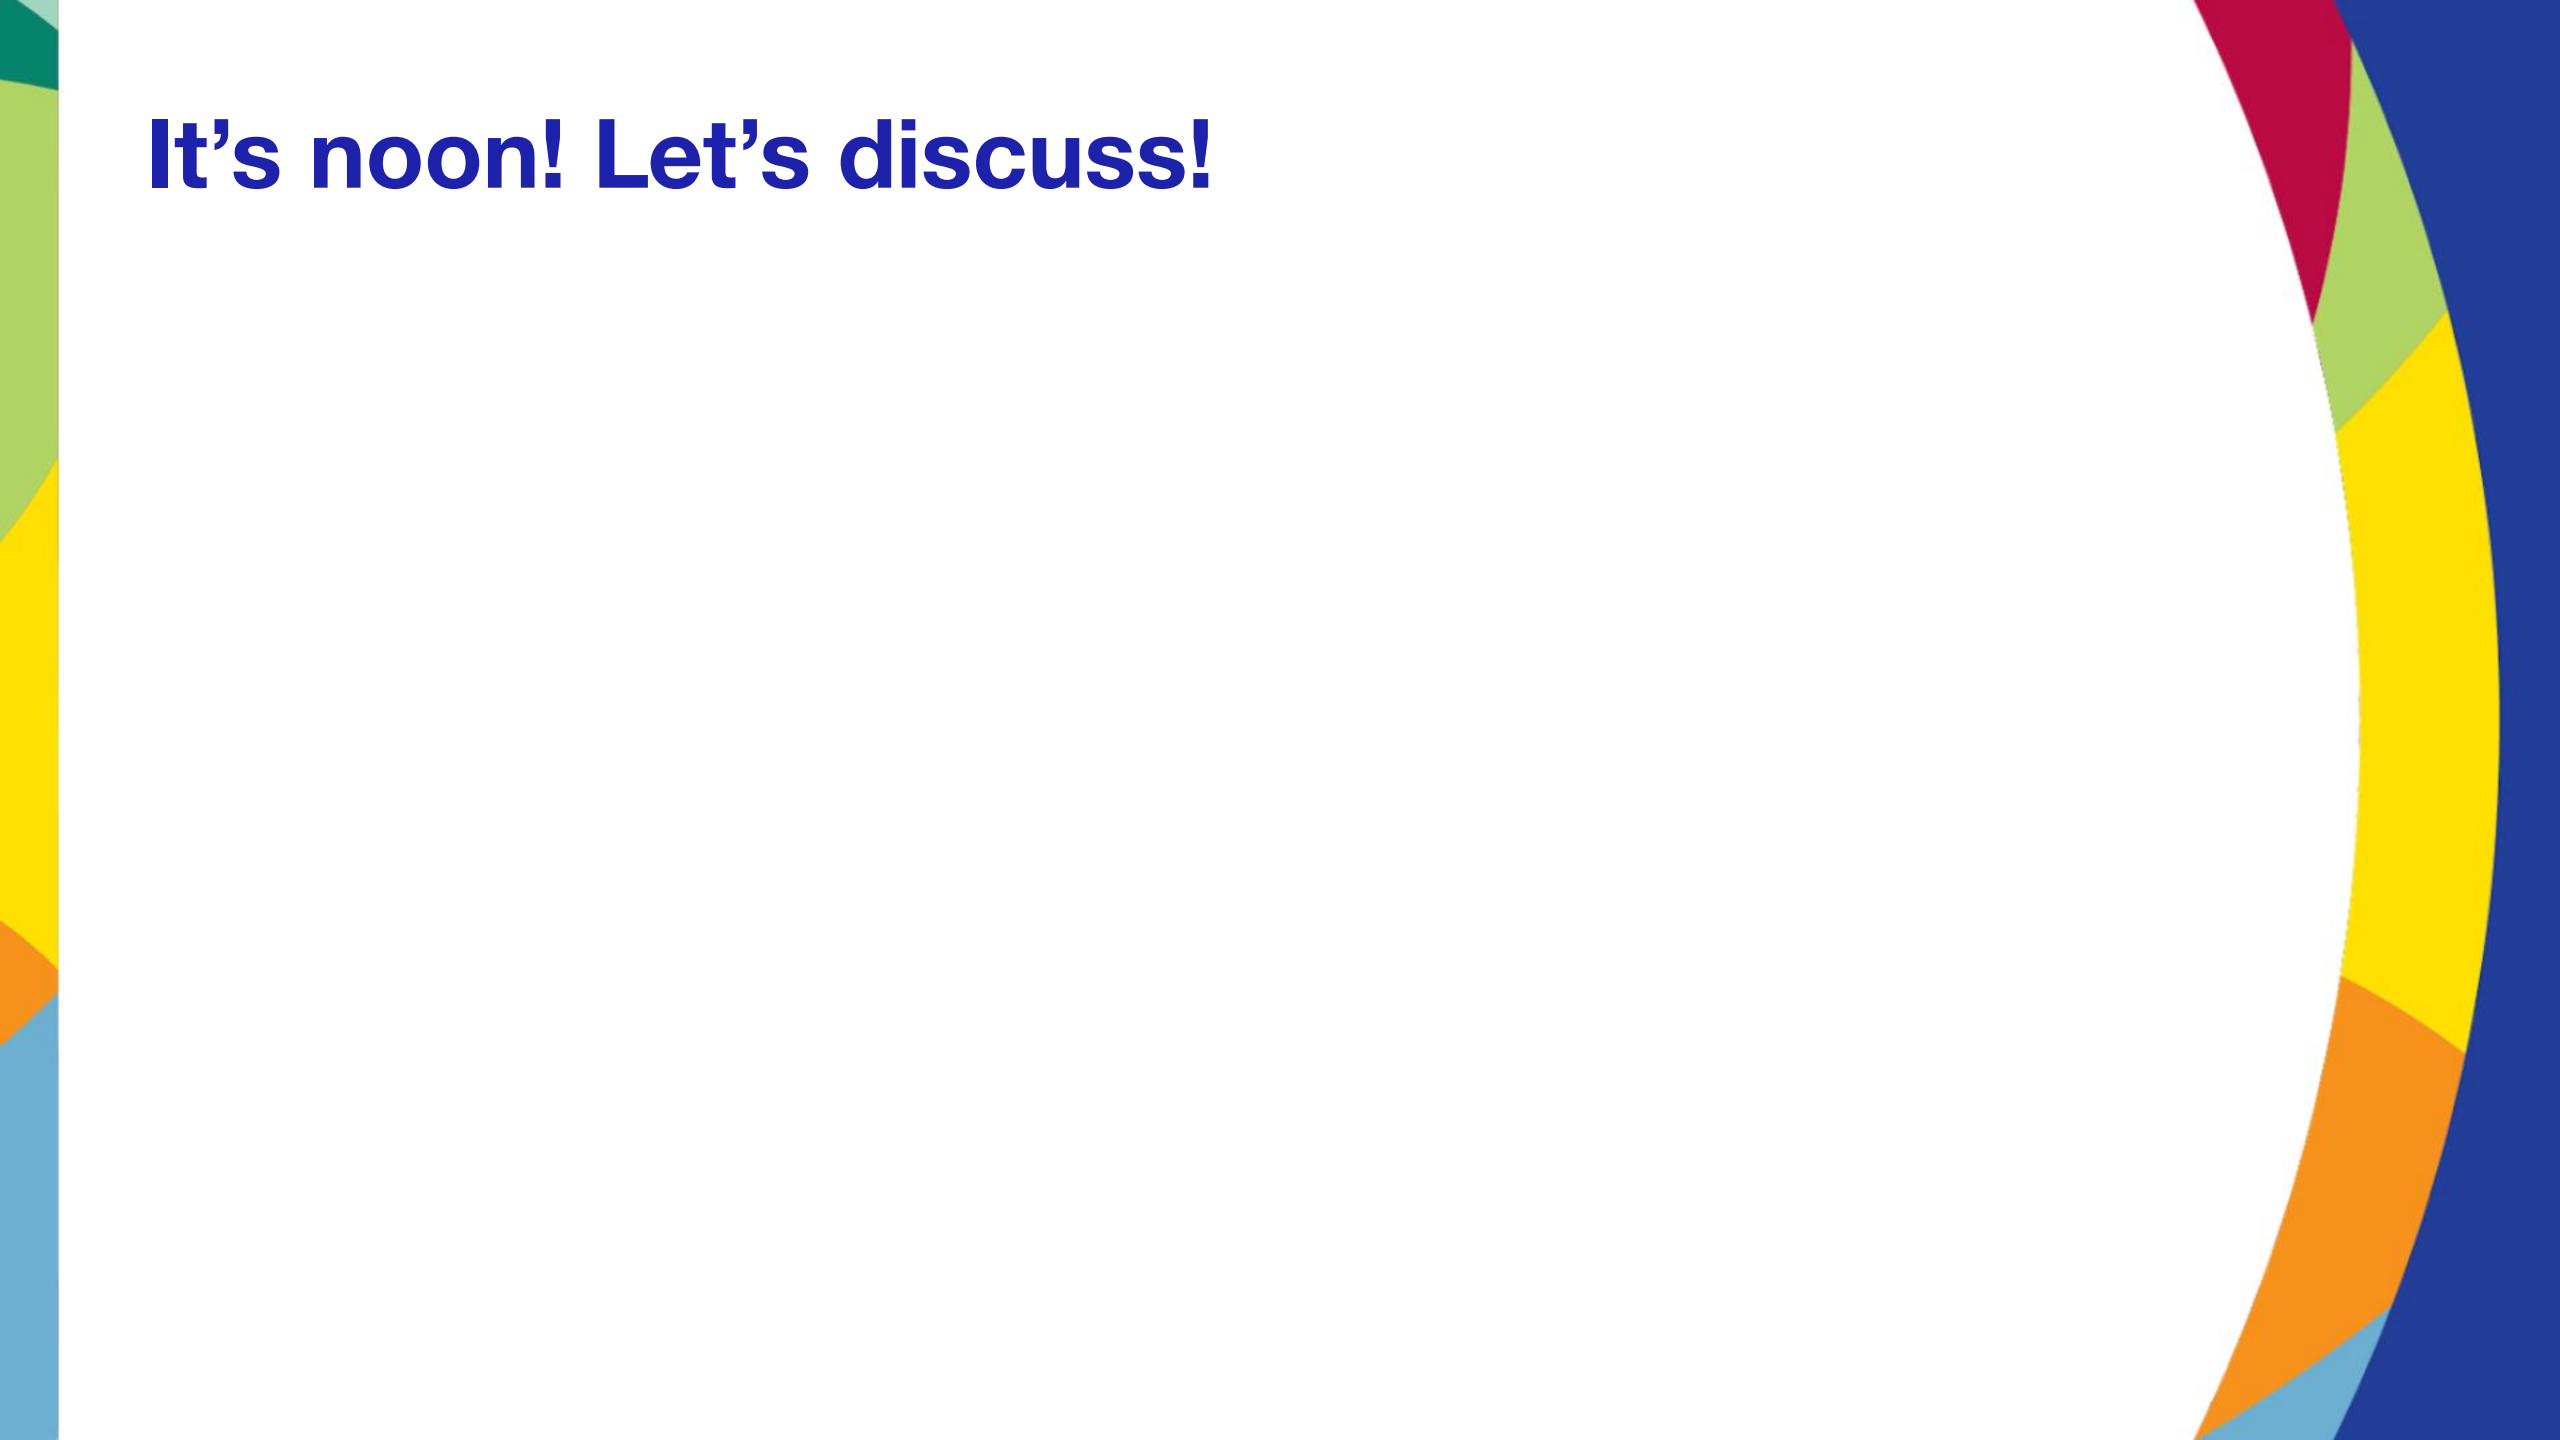

## Current list of topics/groupings (in no particular order)

- Minority Serving Institutions
- R1 institutions
- Small colleges
- Industry
- Non-profit
- Unsupportive government
- Currently supportive government
- Canadians
- Supreme court decision and its impact
- Use of demographics in recruiting efforts:  
Attempts, responses, strategies

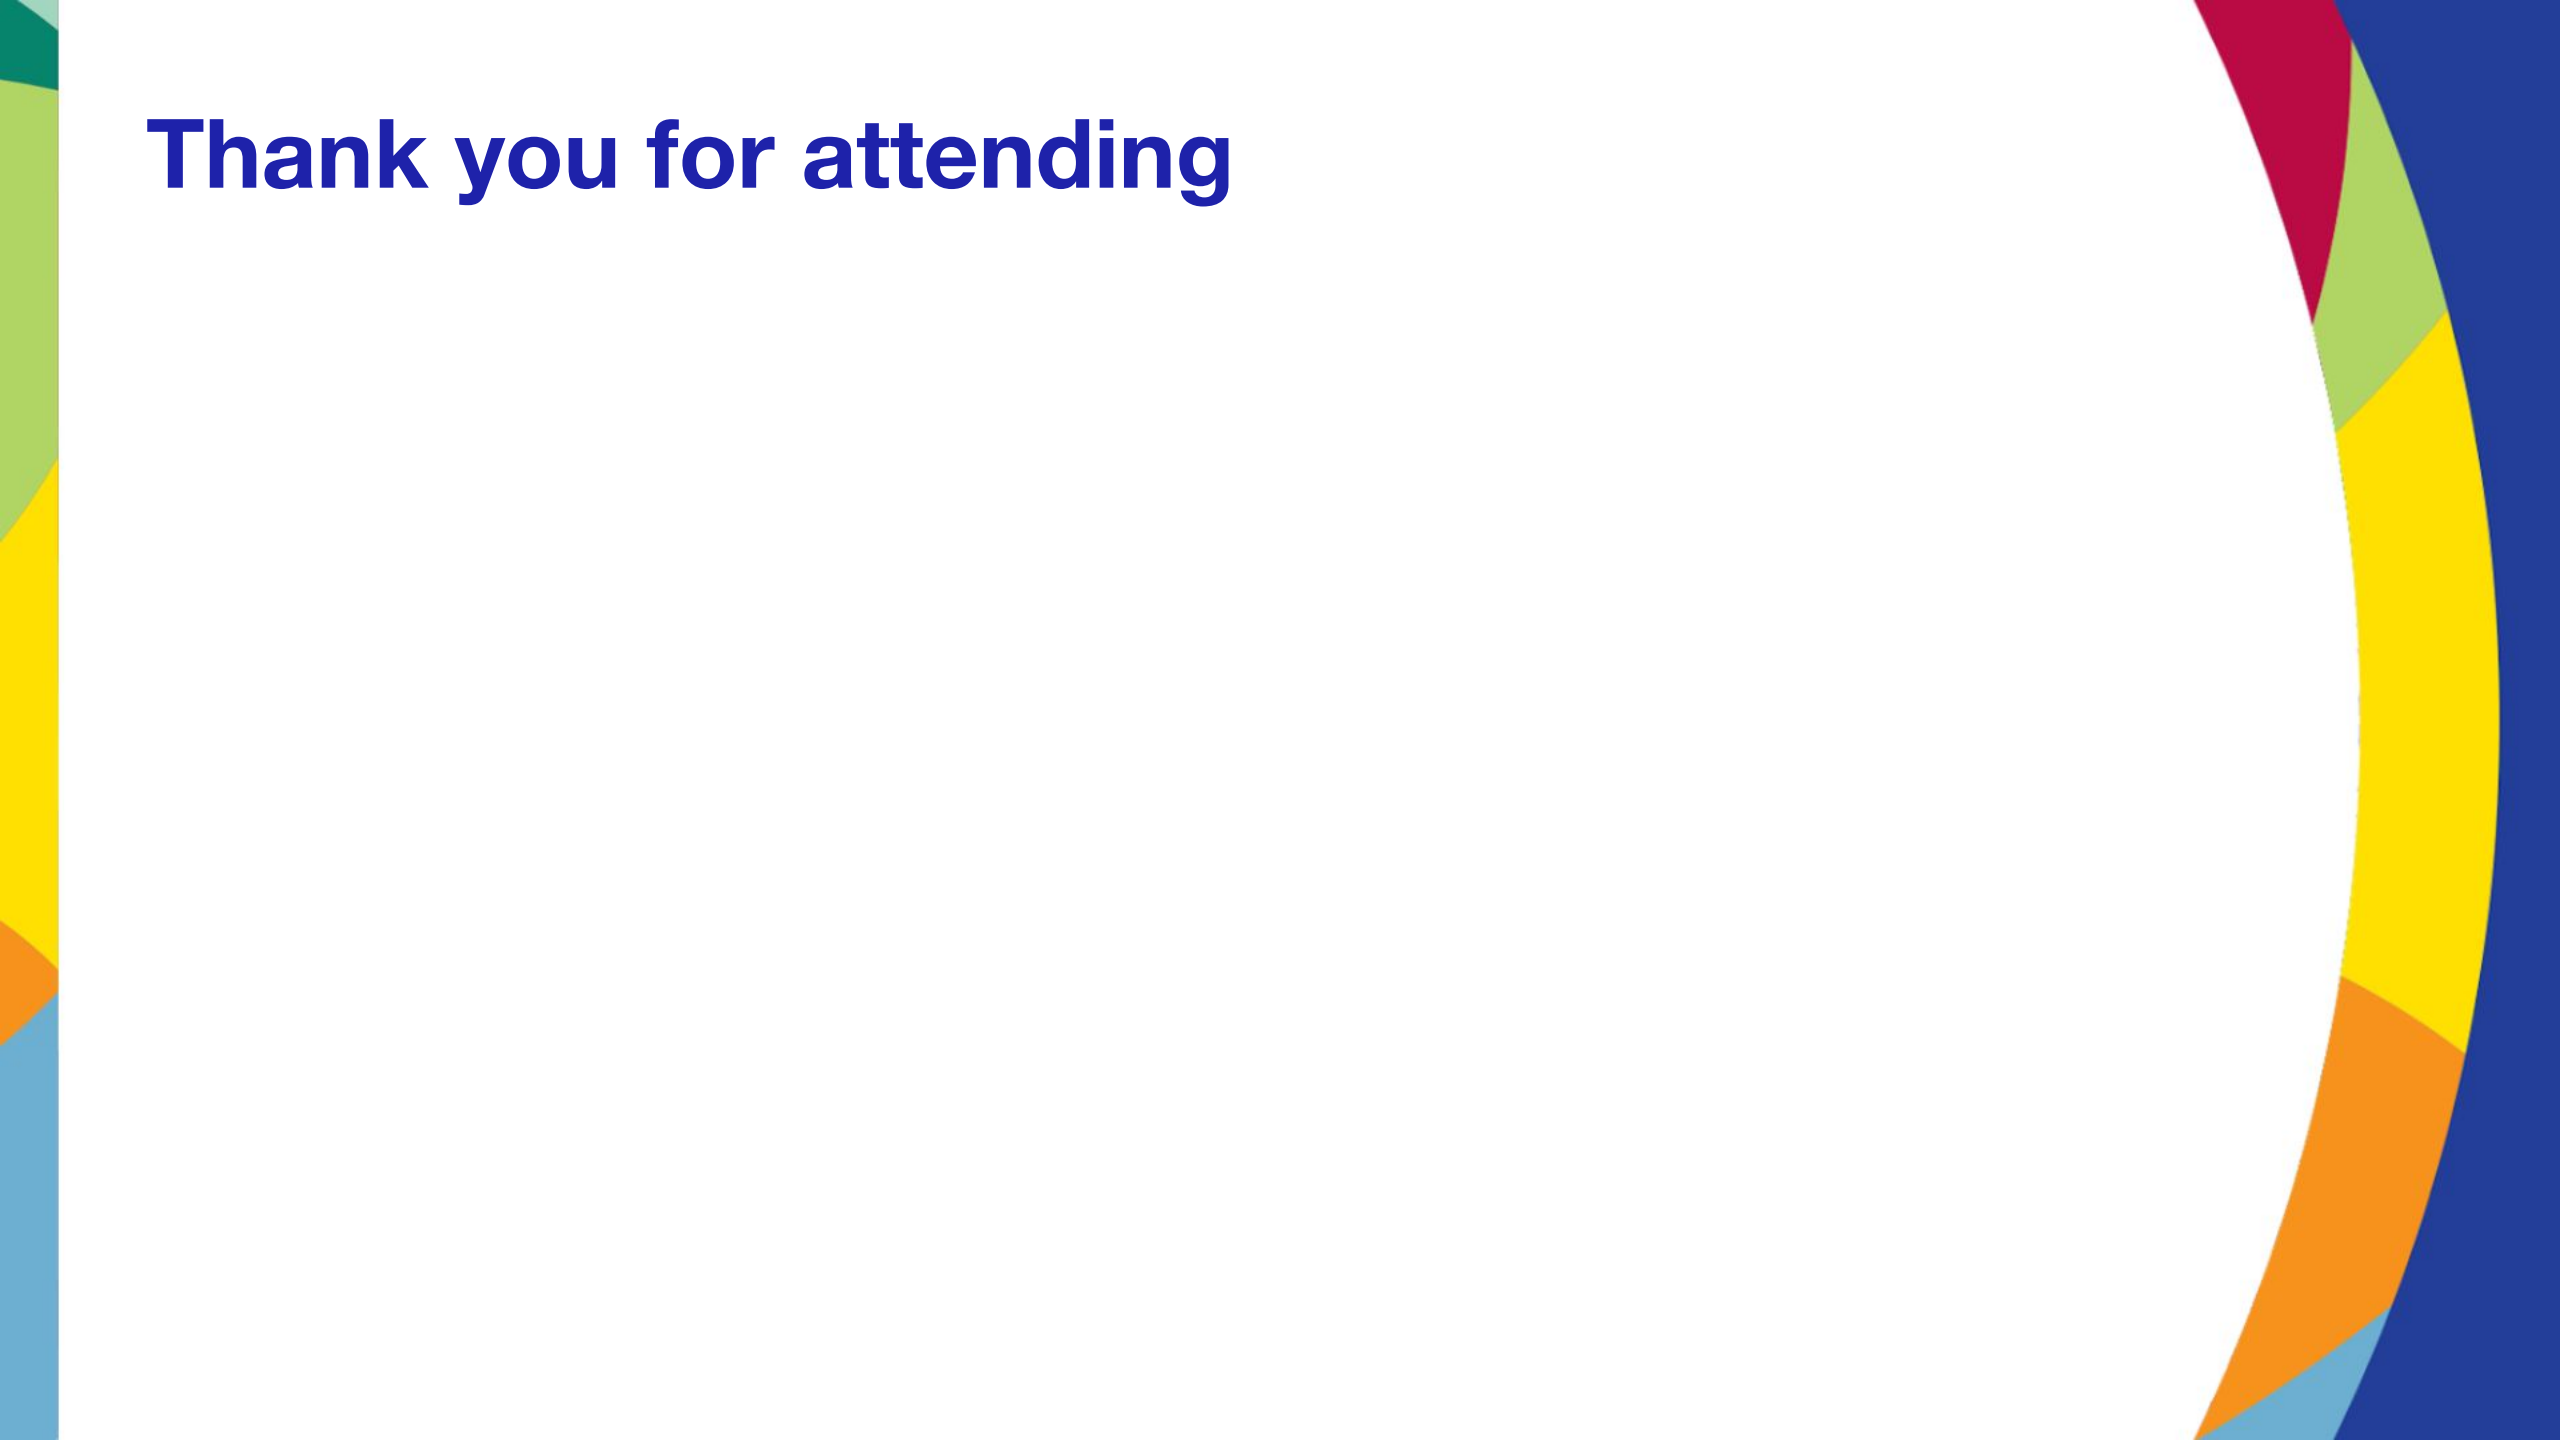

# Anyone have additional topics that they'd like?

- If you come up with one later and want people to join, grab paper and marker, or come announce it.
- Feel free to change groups/discussions.
- I'll bring us back together at noon unless something else comes up.

**It's noon! Let's discuss!**

**Thank you for attending**

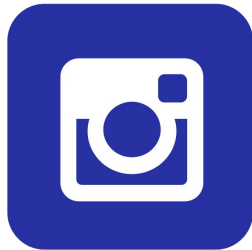

# Stay connected!
