

Deep Integration of Human and Machine Intelligence for

Jeffrey P. Bigham

What do blind people want to know?

73. What is this can

74. Hi is there an error message on this screen; and what does the screen say; or at least as much of it as you can see. Thank you

75. Hello could you please tell me what's on this box? Thanks a lot

76. Could you please tell me what is in this jar thank you

77. (no audio)

78. What's this?

79. What is that please

80. -this envelope addressed to

145. Can you identify this for me please

146. What color is this shirt

147. What's the title of this essay

148. What is the color

149. Is this set to 'fan'

150. Is the air conditioner set to air; fan; or dehumidifier

151. What is the phone number for the Contact Centre

152. -s how to cook these

157. What is this?

158. Are you a computer?

159. What does this shirt say

160. What's on this page?

161. What is in this can.

162. - his name.

163. What does this part of the sky look like

164. What's this and how long do I cook it for?

185. What's in this box

186. What is the top button on the left?

187. I'd like to know what this can is; please

188. Is this diet or regular coke? Thanks.

189. - card number.

190. Okay I'm just curious what the controls are for this machine that's in front of me; I can feel that there are two rows of buttons; so can you tell me what the buttons are from left to right for each row?

191. What's the weather like outside on this photo? Thank you.

192. What is in this box?

VizWiz Dataset

VizWiz is an iPhone app that allows blind users to receive quick answers to questions about their surroundings. VizWiz combines automatic image processing, anonymous web workers, and members of the user's social network in order to collect fast and accurate answers to their questions.

VizWiz dataset was collected using the VizWiz application, which was released in May 2011.

- Users have asked more than 100,000 questions, 48,169 of which were asked by users who agreed to allow their questions to be anonymized and shared. We carefully and redundantly checked each and removed those that contained personally identifying information, resulting in 43,543 remaining questions.
- Each question includes an image, a transcription of the question, and several answers
- Answers come primarily from Amazon Mechanical Turk, if chosen by the user, other resources include IQ Engines, Facebook, Twitter, or email

Sample JSON for an image:

```
{ id: "ag12aXp3aXotc29jaWFscg0LEgVRdWVyeRi9g1oM",
  sequence:
  ["ag12aXp3aXotc29jaWFscg0LEgVRdWVyeRJT3Z8BDA"],
  question: "How long do I cook this?",
  answers: [
    {answer: "9 minutes", correct: true, source: "web workers"},
    {answer: "meatloaf", correct: false, source: "iq engines"} ],
  canAnswer: true,
  blurry: false,
  subjectOutOfFrame: false,
  textQuestion: true,
  identificationQuestion: false,
  colorQuestion: false,
  subjectiveQuestion: false
}

Using Device

User + AI + Crowd

186. What is the top button on the left?

20. Which knob; is it the left or the right; is for temperature control?

362. Which button says power? And have I got it set to delicate or daily?

190. Okay I'm just curious what the controls are for this machine that's in front of me; I can feel that there are two rows of buttons; so can you tell me what the buttons are from left to right for each row?

221. Could you tell me what the time remaining on this microwave is; it should be in seconds; like 33 seconds or 1 minute and 33 seconds or something like that. Thank you.

92. What is this machine and what are the buttons labeled as

233. Okay let's try this a second time; can you tell me all the buttons on this crockpot; what they are; left to right; up and down; and also -
