# Turn and Talk to your Neighbor

- What is your name?
- Is this your first time at Grad Cohort?
- What I want to achieve from this conference?

**CRA-W**

Computing Research Association  
Women

# Our Experience

- Make friends!
- Mentors, supports, advocates, sponsors
- Explore new cities
- *Find role models*
- Answers/Guidance to questions (resources)

**CRA-W**

Computing Research Association  
Women

# Lessons Learned

- We all share the same concerns
- Volunteer whenever you can
- Support other female students
- Get support (mentors)
- “time management, work life balance, etc.”
- Always persevere

**CRA-W**

Computing Research Association  
Women

# Influence/Impact on Career

- *Learned how to say “No”*
- *Do not be afraid to ask*
- *Became better at negotiating*
- Tips and tricks
- Boost confidence

# How to get the Most out of the Workshop

- Explore the city with friends/new friends
- Don't miss the party.
- Add people in FB, LinkedIn, etc. as soon as you can
- Go to variety of talks even if you aren't interested
- Do not restrict yourself to talks based on your current "year"
- Ask questions
- Network
- Smile!
- You are welcome, supported, respected in this conference.
