Just Keep Reading!
While reading with Maria tonight, invite her to read to you. Instead of noticing how many words she reads correctly, challenge yourself to praise her effort! For example, "I could tell you really took your time to think about that word.

Mindset, grit
Problem-solving, curiosity, divergent thinking
Collaboration, empathy
Communication

How'd it go?

Loved it  Done  Didn't enjoy
Too easy  Too difficult
Doesn't apply  I improvised with it
Would do again  Create a tag
