

UCLA

Open Rank Teaching Professor Position in Computer Science and Data Science

Description

The Computer Science Department at the UCLA Henry Samueli School of Engineering and Applied Science invites applications for a Teaching Professor at all ranks (officially called Lecturer with Potential Security of Employment, Lecturer with Security of Employment, and Senior Lecturer with Security of Employment). This is a permanent position, analogous to tenure-track, with Academic Senate membership and an expectation of participation in governance and management of the university's educational program through committee service, curriculum development, and administration.

The nominal teaching load is six courses per year on a quarter system. In addition to supporting the needs of the Computer Science Department, this position will also help to support the Data Science and AI tracks of the School's Master of Engineering program through upper-division undergraduate offerings in those areas. Salary will be commensurate with experience and University of California pay scales.

The ideal candidate would have the following qualifications: A Ph.D. in computer science or a closely related field, or an M.S. in computer science or a closely related field along with significant additional relevant experience.

How to apply

Application packages should be submitted online through <https://apptrkr.com/3507566> and include the following documents: 1) curriculum vitae, 2) teaching portfolio, including a list of courses taught along with enrollment statistics and teaching evaluations, 3) teaching statement, 4) statement of contributions to equity, diversity, and inclusion, 5) an optional statement of research interests, and 6) a cover letter. Review of applications will begin on November 1, 2022 and continue until the position is filled.

Reference Requirements

3-5 required (contact information only)
