

Financial Technology Thrust Society Hub, HKUST(GZ)

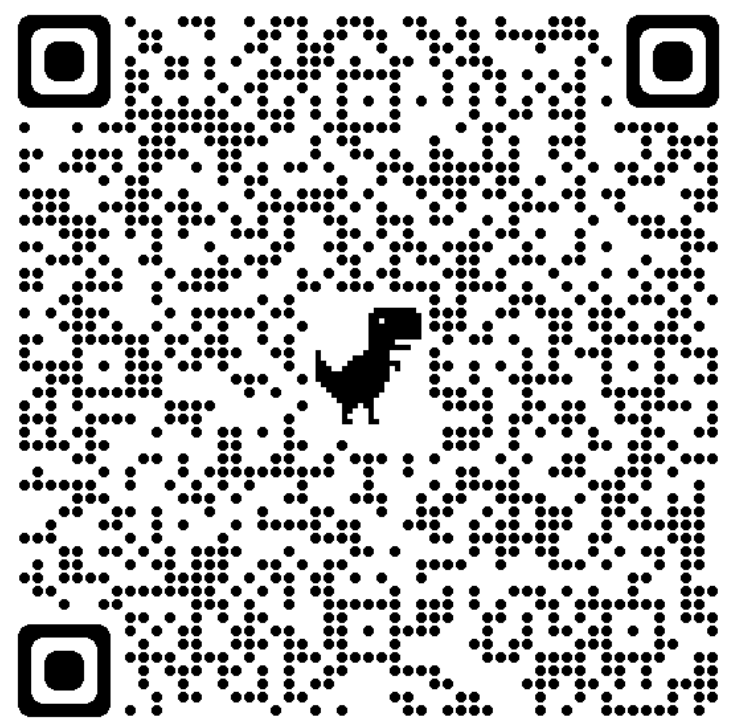

Assistant Professor / Associate Professor / Professor Recruitment

The Financial Technology Thrust of Society Hub of the Hong Kong University of Science and Technology (Guangzhou) invites applications for tenure-track positions at any rank in all fields of FinTech. We seek talents in the cutting-edge research in FinTech.

Areas of interest include but are not limited to:

- Blockchain technologies, smart contracts, and digital currencies
- Robo-advising, quantitative investing, and risk management
- Machine learning, artificial intelligence, and big data analytics in finance
- Technological innovations for financial services
- Regulatory issues and challenges in FinTech
- Digital economy and financial inclusion

Applicants must have a PhD degree in relevant fields.
