

New Jersey Institute  
of Technology

## Assistant/Associate Professor (Informatics)

The **Informatics Department** at **New Jersey Institute of Technology (NJIT)** invites applications for tenure-track faculty positions starting in Fall 2023.

We are searching broadly across expertise in Human Centered Computing (HCC) or Human-Computer Interaction (HCI); exceptional candidates in other areas related to Informatics, and Information Science/Systems/Technology will also be considered (e.g., serious/educational games, gaming behavior, accessibility, human-robot interaction, health, computer-supported cooperative work, augmented/virtual reality, and social computing). We aim to hire at the rank of Assistant Professor, but exceptional candidates at higher ranks will also be considered. Candidates with doctorates from top worldwide institutions are especially welcome to apply.

**NJIT is a Carnegie R1 Doctoral University (Very High Research Activity)**, with \$166M research expenditures in FY21. The Informatics Department has 16 tenured/tenure track faculty, and has strong connections with local industry. The Informatics Department is part of the Ying Wu College of Computing (YWCC), alongside the Departments of Computer Science and Data Science. YWCC has an enrollment of 4,000+ students in computing disciplines, and graduates ~1,000 computing professionals every year; **as such, it is the largest producer of computing talent in the tri-state (NY, NJ, CT) area.**

**To formally apply for the position, please submit your application materials at: <https://apptrkr.com/3549362>**

NJIT recognizes the importance of Diversity, Equity, and Inclusion (DEI) in academia and society at large. Candidates who have a track record in DEI are requested to also submit an optional Diversity Statement. **Applications received by December 15, 2022 will receive full consideration.** However, applications are welcome until the positions are filled, and will be evaluated as they are received. *As an EEO employer NJIT is committed to building a diverse and inclusive teaching, research, and working environment and strongly encourages applications from individuals with disabilities, minorities, veterans, and women.*

Diversity is a core value of NJIT, and we are committed to make diversity, equity and inclusion, part of everything we do. We celebrate the diversity of our university community and recognize the cultural and personal differences. We strive to cultivate an inclusive campus culture that promotes excellence among our faculty, staff, and students. Building a robust and diverse community is critical to NJIT's continuing status as a premier institution of higher education and a leading polytechnic university.
