

Lecturer, Assistant/Associate Full Professor of Practice Department of Computer Science

Stony Brook University's Department of Computer Science invites applicants for a **teaching faculty position** with an expected start date of Spring 2024.

The candidate will hold the position of lecturer or assistant/associate/full professor of practice depending on qualification. The selected candidate should hold an MS or Ph.D. in Computer Science or a closely related discipline and should have a strong commitment to teaching. The candidate is expected to teach introductory and advanced undergraduate courses in Computer Science, and possibly graduate courses, depending on experience and interests. We are specifically interested in hearing from candidates with expertise and teaching interest in introductory or advanced programming, systems programming, web, software engineering or networking. Engaging in scholarly research and mentorship of graduate students are encouraged but not mandatory. The department values diversity and seeks candidates who can contribute to a welcoming climate for all students. We strongly encourage qualified women and minority candidates to apply.

Stony Brook University is located approximately 60 miles east of Manhattan on Long Island's beautiful North Shore. It is part of the State University of New York (SUNY) system and is widely regarded as its flagship. The Department of Computer Science currently has 60 faculty members and more than 2000 majors in its BS, MS and PhD programs. Detailed information on the department can be found on its website: <http://www.cs.stonybrook.edu>.
