

Yeshiva University®

Associate/Full Professor and Associate Chair

The Department of Graduate Computer Science and Engineering (CSE) at Yeshiva University's Katz School of Science and Health seeks an Associate Chair to work with the Chair to build the Graduate CSE Department.

This is a tenured or accelerated tenure-track position with the rank of associate professor/professor level. The newly established Graduate CSE Department includes programs in AI, Data Analytics and Visualization, and Cybersecurity, as well as the Katz School's Internet of Things (IoT) Lab and Security Operation Center (SOC).

The Katz School of Science and Health is Yeshiva University's flagship school for STEM. We are research scientists, tech builders and patient-centered clinicians working on problems that matter.

Salary Range: \$150,000-\$190,00.

EOE, including disability/vets.
