

The Department of Computer Science and Engineering (CSE) at the NYU Tandon School of Engineering (NYU Tandon) invites applications for multiple tenure-track positions at the level of Assistant, Associate, or Full Professor with an anticipated start date of September 1, 2024.

We seek strong candidates working in a broad set of research areas within computer science. Areas of focus for this search are: visualization and data engineering; cybersecurity (especially in the areas of Emerging Media, Health, Sustainability, Systems, and Responsible Technology); and theory with applications to other research areas (e.g., Theory + Responsible Computing, Theory + Data Management, Theory + Scientific Computing, etc.).

We will review applications beginning on January 2, 2024, and will continue until the position is filled. We encourage you to submit early.

NYU is an Equal Opportunity Employer. NYU Tandon is committed to substantially increase the proportion of our faculty from historically underrepresented groups in STEM and we encourage candidates from such groups to apply.

In compliance with NYC's Pay Transparency Act, the annual salary range is \$125,000 - \$195,000 for the Faculty Fellowship position.

Please visit [Interfolio](#) for additional information and to submit your application.
