

Position Title: Tenure-track Assistant Professors of Computer Science

Job Description:

The Department of Computer Science and Engineering needs to fill three tenure-track assistant professor positions. The department is looking for candidates in the broad area of Artificial Intelligence and Cyber Security, although outstanding candidates in other related areas will also be considered. The position will begin on August 15, 2024. Candidates must show exceptional promise in both research and teaching. Candidates should have an appreciation of and commitment to the value of diversity and work with a diverse faculty and student body.

Minimum Qualifications:

Applicants must have completed a Ph.D. in Computer Science, or a closely related field by the appointment date.

School/College/Dept Summary:

The department offers BS degrees in Computer Science, in Information Technology, in Cyber Security and in Artificial Intelligence; MS degrees in Computer Science, Cybersecurity, in Software Engineering and Information Technology and In Artificial Intelligence; Ph.D. degrees in Computer Science and Informatics. For information about the department and Oakland University, please visit the respective homepages.

OU Standard:

The University is located on 1,443 acres of scenic land in the cities of Rochester Hills and Auburn Hills in Oakland County, Michigan. The University offers 142 bachelor's degree programs and 138 graduate degree and certificate programs. Academics include programs in the College of Arts and Sciences, School of Business Administration, School of Education and Human Services, School of Engineering and Computer Science, School of Health Sciences, School of Medicine and School of Nursing. As an anchor institution in southeastern Michigan that is dedicated to building ongoing, collaborative relationships, Oakland University embraces community and civic engagement to enhance the lives of its students and positively impact the broader community. Learn more about Oakland University's Mission & Vision and Strategic Plan.

Special Instructions:

Review of applications will begin on December 10, 2023 and continue until the position is filled. Applicants should submit a letter of intent, a statement of research, a statement of teaching, CV, a diversity statement, transcripts (unofficial) and contact information for three references. The diversity statement will describe their interest or efforts in furthering diversity and inclusion e.g., through mentoring, pedagogy, activism, faculty recruitment/retention, or research on issues related to diversity and social equality. The teaching statement should include a list of undergraduate and graduate courses that the applicant will be willing to teach as well as outlines of two courses that the applicant would like to introduce. Information about the current courses offered by the department is available on the departmental website at <http://www.cse.secs.oakland.edu>.
