## **Human Language Technology Center of Excellence**

The HLTCOE is hiring excellent speech, NLP, deep learning, and Computer Vision researchers to join our team. We have immediate openings for non-tenure track Research Scientists at all levels of experience, as well as for post-doctoral fellows.

Please view current opportunities at <https://hltcoe.jhu.edu/opportunities/>.

We welcome all inquiries: [hltcoe-hiring@jhu.edu](mailto:hltcoe-hiring@jhu.edu).

*The Human Language Technology Center of Excellence at Johns Hopkins University was founded in 2007 to create next-generation algorithms for speech and language processing. We identify and create innovative technologies that have significant impact on challenging real-world problems. Our research addresses key challenges in extracting information from massive sources of text and speech.*
