

AI Strategist

SAN FRANCISCO BAY
UNIVERSITY

San Francisco Bay University (SFBU) is a small-sized nonprofit, WASC-accredited university located in Fremont, California. We offer degrees in computer science (BS, MS), electrical engineering (MS), business (BABS/ MBA/ MSBan/ MSDS), and professional educational programs.

We seek a highly motivated AI Strategist with your expertise to develop strategy, policies, resources, and tools. This role reports to the Vice President for Strategy and Innovation and plays a pivotal role in shaping SFBU's future as a leader in AI education and integration.
