

Open Faculty Positions

Experience a new model of scientific freedom in an innovative university.

The **Okinawa Institute of Science and Technology** is an English-speaking and dynamic doctoral-only university in Japan. We are inviting applications for tenure-track and tenured faculty positions.

WE PROVIDE:

- Sustained research funding for *your* scientific vision
- Fully funded PhD students, postdoctoral researchers, lab techs, and staff scientists
- World-class core facilities and expert support staff
- Support for amplifying your scientific impact (e.g., technology transfer, outreach, collaborations, etc.)
- Full administrative support

OUR CULTURE AND ENVIRONMENT:

- No faculty hierarchies or departments
- A thriving international research community representing 80+ countries
- A vibrant, safe, multicultural setting on the beautiful island of Okinawa

APPLICATIONS ARE SOUGHT IN TWO AREAS:

- **Mathematical Sciences**, including pure math, applied math, statistics, and data sciences. Any potential connections to the broad areas represented at OIST are welcome.
- **Energy and Sustainability**, broadly defined. Interdisciplinary approaches complementing OIST's current research portfolio, as well as impactful energy solutions for sub-tropical islands are particularly welcome.

As a core part of our expansion plan and research vision, we seek to hire three tenure-track or tenured faculty members in each area.

To fully realize our vision of promoting scientific excellence through a diverse and inclusive community, OIST is actively seeking applications from women and underrepresented groups to meet our target of hiring at least 50% women in this current search. Successful applicants will enjoy competitive remuneration packages with additional benefits, such as housing and commuting allowances, dual-career support, and family support.

Application documents (all to be submitted in English):

- Cover letter
- CV, indicating three publications of note
- Research statement
- Engagement statement
- Three letters of recommendation

Deadline: October 15, 2024, at 11:59 p.m. (JST)

The starting date is negotiable.
